Dear: Continental Automotive GmbH

Vietnam Telecommunications Authority VNTA received a letter of request for instructions dated September 9, 2021 from Continental Automotive GmbH, located at Postfach 100943 Siemensstrasse 12 93055 Regensburg, Germany, together with the technical documentation of the goods; After considering, VNTA has the following comments:

1. Your Product is a radio receiver module model 40398036, manufactured by Continental Automotive GmbH. With product description attached to the above dispatches, VNTA conclude that it is not on the list of potentially unsafe products and goods under the management responsibility of the Ministry of Information and Communications issued in Circular No. 11/2020/TT-BTTTT dated May 14, 2020 as amended and supplemented by Circular No. 01/ 2021/TT-BTTTT dated May 14, 2021 of the Minister of Information and Communications (Circular No.11). Therefore, it is not required acknowledgment of registration for quality inspection of the imported goods or type approval certification.

2. In case of importing products and goods with similar descriptions, enterprises are requested to base themselves on technical documents, product and goods descriptions and compare them with the provisions of Circular No. 11 to determine whether goods are subject to registration for state inspection of imported goods quality, regulation conformity certification, and regulation conformity announcement.

3. When implementing regulations of the Ministry of Information and Communications on type approval, AQI, if there are difficulties and problems, please consult your company at the Q&A section on the Portal of VNTA at <http://vnta.gov.vn/doanhnghiep/Trang/thongtinchitiet.aspx?tintucId=23909>.

Best regards./.
